

“If you want happiness...
For an hour, take a nap.
For a day, go fishing.
For a month, get married.
For a year, inherit a fortune.
For a lifetime, help someone else.”

-Famous Chinese Proverb

community foundation of monroe county
report to the community 2015-2016

FROM THE EXECUTIVE DIRECTOR

Dear Friends,

On behalf of the Board of Trustees and Staff of the Community Foundation thank you for your continued support. The Community Foundation continues to inspire individuals, families, organizations and businesses to create permanent charitable funds to help our community meet the challenges of changing times. We seek to find ways to increase our impact on improving the quality of life in our wonderful Monroe County.

As we move forward, we are concentrating on the measure that matters, our impact not our asset size. We define ourselves by taking a more active role in our community by:

**Being a community partner, creating a better future for all,
uniting people and producing significant results.**

We had several opportunities this year to exercise the above principles through collaborations:

- Established a partnership with the Monroe Health Plan with an endowed fund for \$1,150,000 which allowed us to award grants to Monroe Center for Healthy Aging and ProMedica to improve the health of our community.
- We received \$100,000 from the Ralph C. Wilson Jr. Foundation allowing us to award a grant for \$35,000 to our local high schools and the Learning Bank to enhance post secondary education in Monroe County.
- We received a grant from the Michigan Health Endowment Fund to award \$175,000 in grants to the YMCA, Goodwill Industries, MCOP, and the Monroe County Health Department.
- We awarded additional scholarships and grants this year.

Once again, thank you. We encourage you to consider donating this year and/or inquire how we can work together to accomplish your charitable goals. We are here to support you in your philanthropic efforts.

Kind regards,

Kathleen Russeau
Executive Director

MILAN REPORT

I am pleased to report another successful year for the Greater Milan Area Community Foundation. We had another wonderful gala in February 2016, where we came close to selling out. For the first time at our Gala we included representatives of several local charities that received grants in 2015 with their storyboards. They had wonderful stories to tell and they demonstrated the reasons that we host the Gala to raise funds for our Foundation. All of the proceeds from the evening's activities are invested in our general endowment and other designated funds.

I want to thank our hard working and devoted Trustees who are committed to our cause and our community. They spend many hours and donate their talents and expertise to make this organization successful. We also owe much to our friends and trusted partners at the Community Foundation of Monroe County for their administrative expertise, financial services and wise counsel.

I want to extend my personal thanks to the hard working members of the Gala Committee headed up by Michael Armitage for their tireless efforts to make our Gala a wonderful event for our guests and a financial success for our Foundation.

We have awarded 145 grants to local charities in our community totaling over \$275,000 since our first grants in 2006. These grants came from our General Endowment Fund, the Fayne & Joanne McGovern Youth Endowment Fund and the Armitage/Brainard Beautification Fund. In addition, we have provided over \$100,700 in scholarships to Milan High School students from the scholarship funds that we manage.

Finally, I want to thank the families of Phil Barnes, Dennis Heikka and David Hoskins who recently entrusted memorial donations to our foundation to honor their lives and provide a lasting legacy. We are grateful for these and other memorials that we have received. Please remember that we have many resources available to assist with charitable and estate planning, from the simple to the complex. Specifically, we want to reach out to those persons who may want to establish personal legacies or funds to continue causes that are important to them and help them fulfill those objectives. Those funds and legacies are powerful tools that provide current benefits to the donors and long-lasting benefits to our community. For Good...For Ever. ..For everyone!

Chris Wetzler, President
Greater Milan Area Community Foundation

OUR MISSION

To enhance the quality of life of the citizens of Monroe County, through permanent endowments by:

Identifying and addressing current and anticipated community needs and Raising, managing and distributing the funds for charitable purposes.

WAYS OF GIVING

Knowing that your charitable gift is used for the sole purpose of improving and enhancing all citizens' quality of life is the main benefit of giving through the Foundation. Because these gifts are endowed and remain with the Foundation, your gift is truly For good Forever, For Everyone.

By giving a gift through the Community Foundation, you have the opportunity:

1. Of knowing that your charitable wishes will be fulfilled now and in the future.
2. Of receiving maximum tax benefits from your gift.
3. Of choosing from a variety of funds that allow you to address a broad range of local concerns that interest you.
4. Of personalizing your own legacy by setting up a special fund named for your family or a loved one.

A variety of assets can apply:

- Outright gifts of cash, stocks, bonds, real estate and/or personal property.
- Bequests by Will of cash or property.
- Life insurance naming the Foundation as beneficiary and/or owner.
- Deferred gifts such as

charitable gift annuities, lead trusts and remainder trusts.

- Gifts in memory or in honor of a loved one.
- Private foundation transfers.

Types of Funds you can create:

Unrestricted – gives the foundation flexibility to direct grant making dollars where they're needed most.

Field of Interest – defines a broad area of interest for grant making (education, arts, youth, health, housing, elderly or environment).

Donor Advised – allows you to play an active roll in grant making by recommending what projects you'd like to support.

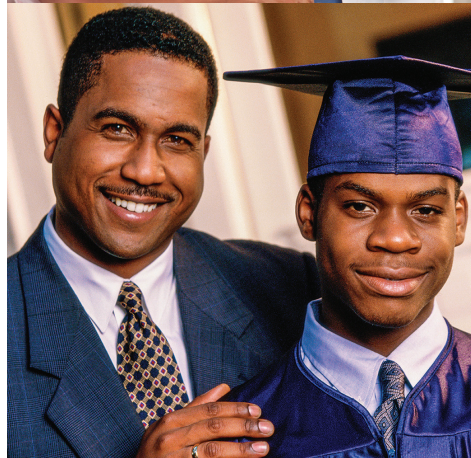

Designated – specifies one or more non-profit organizations you wish to support.

Scholarship – creates a name scholarship according to the guidelines and selection criteria you establish.

Agency Endowment – supports the administration and organizational costs of the named agency.

**FOR GOOD
FOR EVERYONE
FOREVER**

MONROE HEALTH PLAN ENDOWED FUND

\$1,150,000 to establish the Monroe Health Plan Endowed Fund

On March 23rd, at its last official board meeting, the MCHP board presented the CFMC with a check for \$1,150,000 to establish the Monroe Health Plan Endowed Fund for the County of Monroe at the Community Foundation of Monroe County. When final accounting is complete and MCHP receives a Certificate of Dissolution from the state any remaining cash balance will also be transferred to the Monroe Health Plan Endowment Fund.

The Community Foundation will distribute annually the income from the Fund for the needs of the community as determined by the Funds' Distribution Committee, which is appointed by the Foundation's Board of Trustees. It is the intent that this Fund will be a permanent endowment fund.

Collaborative grant for Youth Health and Nutrition Program funded by ProMedica Advocacy Fund for \$18,000

In Monroe County there is a prevalence of food insecurity, specifically among the county's youth. One child out to every five does not know where his or her next meal will come from. During the summer times when school is not in session this problem is magnified.

Parallel efforts to feed hungry children have recently emerged and through this grant a new collaboration has

The Monroe County Health Plan was a not for profit corporation in Monroe County with the mission to improve the health of uninsured Monroe County residents by providing passes and payment for primary healthcare provided by community providers. Services included doctor visits, outpatient services, prescription drugs, lab test and x-rays. Monroe County Health Plan provides these quality health care services for low income uninsured that could not afford insurance and did not qualify for Medicaid. The Health Plan incorporated in 2006 and operated until April 2014 when the Affordable Healthcare Act was enacted and over 85% of the Health Plan members became eligible for the expanded Medicaid coverage under Healthy Michigan.

been formed bring together community partners including MCOP, Monroe Family YMCA, Monroe County Health Department and the Community Foundation of Monroe County. This partnership will more effectively utilize community resources to tackle the important issue of childhood hunger. This new partnership will allow us to collaborate to share resources without duplication and lay the foundation of a sustainable program.

RALPH C. WILSON, JR.
FOUNDATION

The Ralph C. Wilson, Jr. Foundation announce a \$100,000 donation to enhance post-secondary education in Monroe County

The Ralph C. Wilson, Jr. Foundation recently awarded a \$100,000 grant benefitting The Community Foundation of Monroe County as part of its 2015 Transitional Legacy Grant Program. The donation will fund activities in our schools and community to enhance the need for post secondary education.

"We are proud to announce these grants in collaboration with charitable organizations throughout Southeastern Michigan," said Mary Wilson, Life Trustee of The Ralph C. Wilson, Jr. Foundation and wife of Ralph Wilson. "I know Ralph would be eternally grateful to see his passion for his hometown continue

in this way, and it is wonderful to know his legacy will endure through the tireless efforts of so many organizations and people."

The Community Foundation is so very grateful for this opportunity and thanks the Ralph C. Wilson Jr. Foundation for this generous grant. With this grant we will continue with our current initiative: "To instill in our community the need for post secondary education".

Our priorities are:

1. Scholarships for college bound seniors
2. Provide funding assistance for adult education General Education Diploma (GED) program.
3. To be the catalyst in our community for changing the culture to a college going community.

About the Ralph C. Wilson, Jr. Foundation

The Ralph C. Wilson, Jr. Foundation is a newly funded private foundation headquartered in Grosse Pointe Farms, MI. The Foundation was established in 2011 by Mr. Ralph C. Wilson, Jr. to eventually become the vehicle to receive a substantial amount of his Estate's proceeds which are to be used exclusively for charitable purposes. Mr. Wilson passed away on March 25, 2014 after which the Trustees liquidated the majority of his Estate's assets and funded the Foundation with \$1.2 Billion in early 2015.

\$178,000 Awarded Through Michigan Health Endowment Fund

The Community Foundation of Monroe County has been awarded a grant of \$178,000 from the Michigan Health Endowment Fund to support initiatives aimed at improving the quality of health of Monroe County. The grant dollars will help increase access to healthy foods, increase attendance in wellness and fitness programs and encourage healthy eating practice. As a result of a recently published 2015 Monroe County Community Health Assessment one of the most alarming statistics is: "nearly one third (31%) of Monroe County adults are obese; and 73% of the adult population in Monroe County are overweight or obese based on their Body Mass Index (BMI)".

Studies have indicated that this problem can be the cause of a host of medical issues and escalating medical treatment costs. The Community Foundation of Monroe County convened a meeting of interested non-profits to discuss this issue and plan to begin to alleviate this problem. Among those in attendance who felt they immediately had something to offer were: Monroe County Opportunity Program (MCOP), YMCA, Health Department and Goodwill Industries. This group decided they would each take a part in: improving access to healthy food, encouraging attendance in wellness and fitness programs and education on healthy eating

practices. The audience will be Monroe County adults, individuals of low income, and individuals with disabilities.

The mission of the Michigan Health Endowment Fund is to improve the health of Michigan residents and reduce the cost of health care, with special emphasis on the health and wellness of children and seniors. The fund was created as part of 2013 state legislation that allowed Blue Cross Blue Shield of Michigan to become a nonprofit mutual health insurer.

Community Wellness

Grant made possible by

MICHIGAN COLLEGE ACCESS NETWORK

GRANTS AWARDED TO AREA HIGH SCHOOLS

The Community Foundation of Monroe County awarded through the generous support of "The Ralph C. Wilson, Jr. Foundation" grants to six area high schools to assist in building a college-going culture and improve college enrollment outcomes.

Of the applications received the following high schools were awarded \$5,000 each: Airport Community School, Jefferson

School, Mason Consolidated School, Monroe Public School, Ida Public School, and Whiteford Agricultural School. The funds will be used to enhance the Monroe College Access Network initiative whose mission is to increase the post secondary educational achievement of Monroe County graduates to 60% by 2025. It is our vision that by 2025 Monroe County Schools will provide comprehensive college access activities that create a college going culture.

Each school will:

- Establish a Postsecondary Advisory Council (PAC).
- Participate in a triad of College Access events such as College Application Week, College Cash Campaign and College Decision Day.
- Post secondary asset mapping.
